Assignment to earn a total of 10 CEUs

Before you come to class: Purchase or borrow and read: **Waking Up White and Finding Myself in the Story of Race, Debby Irving**

To earn an additional 7 CEU's for this session, you must bring the following prepared materials to class with you. Please respond to the following questions or statements. You can choose how you would like to do that.

- **Before reading:** Tell your life story in 50 words or less.
- **While reading:** Debby Irving provides reflection questions at the end of each chapter. I would like you to take a moment and truly consider these carefully. You don't need to write about them, just use them as a check in.
- **After Reading:** Respond to these questions.
 - What are some of the values and beliefs you learned as a child?
 - What was a new learning you encountered and how does it correspond these childhood beliefs?
 - How has White Privilege affected your life?
 - What are some steps you could take to continue working towards better interracial understanding?

Please be prepared to share your thoughts with others in the session.
